Superintendent's Highlights

The Horseshoe Bend School District set as a major goal this year to "Raise the Bar" on academic achievement. Test scores in most all areas have improved. To assist with this goal, the Language Art curriculum has been rewritten to conform with state exiting standards, IRI and the ITBS.

For the first time in the history of the school district, it sent teams to the State Tournament in Volleyball and Football. All but one member of the track team qualified for the State Track Meet and the girls Softball team qualified for the State Tournament.

The Horseshoe Bend High School joined the Northwest Association of Schools and Colleges and was approved for membership. The high school has started with the accreditation process and hopes to be fully accredited by the end of the 2001-2002 school year.
